TECHNICAL DETAILS

128mm x 128mm x 33mm

Weight : 65-120gr. (Depends on Colour)

Installation On : All Surfaces

Colour Options : White , Black (Anthracite)

Why

Bottom Side Square Top Side Circular?

Generally, this geometry is aimed to close the holes which are drilled on deep corner side. If both sides were circular, then the holes which are drilled on corner installations would be visible.

One of A Kind That Bottom Side Square, Top Side Circular
